This year we welcome Ana Mandaric as Camp Director. Ana has just finished her third year at the University of Toronto and plans on attending teachers college. Ana brings a wealth of experience working and volunteering with children, an athletic background, and creative ideas to keep the camp exciting. Along side Ana, Stephanie Smith will be joining us for the second year in a row. If anyone met Stephanie last year, they know she's the perfect choice as Assistant Camp Director again this year. Stephanie will be attending her first year of university in the fall. She possesses tennis talents, and swimming qualifications to engage the campers and create with Ana, an enjoyable, stimulating and safe summer of activities.

Ana and Stephanie will be holding a meet-the-staff and pre-registration day on **Saturday, June 28, 2008 from 12:00 – 2:00 pm at the community centre.**

Anyone interested is welcome to check out the facilities; the counselors would love to meet you! Also, young teens looking to fulfill their secondary school community service hours are encouraged to come and meet the staff.

Have your children engage with others in a positive environment, and allow them make wonderful memories and friends on the bay. Additionally, the camp allows your children to be active which encourages a healthy lifestyle.
