TOA Zoning Presentation Update

Cale Henderson and Greg Corbett presented at the schoolhouse last weekend a public information session on the Zoning By-law review that is currently under review by the township. Their presentation walked the audience through the several topics including what is a zoning by-law to Zoning Revisions Considerations. A link to their presentation is below. There is also a link to the Planning Departments web page.

Within the web page, the TOA has created a section titled "Special Project: Comprehensive Zoning Bylaw Review / Update". They will continue to add information to the website throughout this project.
